NEW A.A. PREAMBLE
Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problems and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through the free contributions of those who use our service. (We are not affiliated with any sect, denomination, politics, organization or institution; we don't invite anyone to join us in any controversy; neither do we express any opinion.) Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

We could not continue to provide the essential services needed to carry the message without the continual support of the Groups, the Area (including the Districts and Committees), and the Individual A.A. members. We are so grateful for your continuous support to the Houston Intergroup Office, especially during the last year.
