Step Four

Made a searching and fearless moral inventory of ourselves.

Tradition Four

Each group should be autonomous except in matters affecting other groups or A.A. as a whole.

Concept Four

Throughout our Conference structure, we ought to maintain at all responsible levels a traditional "Right of Participation," taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.

Intergroup Online Bookstore

We have begun the process for the new printed directory, but we do need the Groups' help to verify their meeting schedule. The 1st stage is to verify all meetings are accurate. We will publish a listing for Groups that we are unable to verify due to no contact information. We will publish this information in June Link Letter or by a "Special Edition" which ever comes first.

Verify your group's meeting information on aahouston.org.

Big Book, Step Four, page 64

Therefore, we started upon a personal inventory. *This was Step Four.* A business which takes no regular inventory usually goes broke. Taking a commercial inventory is a fact-finding and fact-facing process. It is an effort to discover the truth about the stock-in-trade. One object is to disclose damaged or unsalable goods, to get rid of them promptly and without regret. If the owner of the business is to be successful, he can not fool himself about values.

THANK YOU PHONE
VOLUNTEERS!
WE APPRECIATE YOU!

We did exactly the same thing with our lives. We took stock honestly. First, we searched out the flaws in our make-up which caused our failure. Being convinced that self, manifested in various ways, was what had defeated us, we considered its common manifestations.

Resentment is the "number one" offender....
