Big Book, Pause when agitated .. page 87

As we go through the day we pause, when agitated or doubtful, and ask for the right thought or action. We constantly remind ourselves we are no longer running the show, humbly saying to ourselves many times each day "Thy will be done." We are then in much less danger of excitement, fear, anger, worry, self-pity, or foolish decisions. We become much more efficient. We do not tire so easily, for we are not burning up energy foolishly as we did when we were trying to arrange life to suite ourselves.

It works- it really does.

We are so grateful for your continuous support to the Houston Intergroup Office.

We could not continue to provide the essential services needed to carry the message without the continual support of the Groups, the Area (including the Districts and Committees), and the Individual A.A members.
